	Page -2-
,	Legend
1.	Uranium mines in Velka Upa I. The mines are located close to the state highway. From the highway an underground corridor leads to the mines, which are on a hill in the forest. These mines were opened in
2.	Velka Upa II uranium mines. The mines are in the forest and are approximately 1000 to 2000 m from the state highway. The mines are indicated in outline by dotted lines in the sketch.
3.	The newly opened uranium mines are also shown by dotted lines in the sketch; the work in these mines began in 50X1
4.	Spindleruv Mlyn (Spindelmuhle) recreation center. It is believed that new uranium mines will be opened before long in this area.
5.	Line indicating state highway.
